Thank you so much Noemi!

Our meeting today was very helpful.

We appreciate your expertise, EPA's willingness and partnership, and your very helpful information and contact with LACC.

We will contact Bo and share with you possible LACC tour dates.

Kind regards,

Roger

Hi Ana and Roger – thank you for providing the Exide background information. The contact at LACC, who would be happy to provide a tour and provide more general information on Workforce Development, is Bo Savage, Director of Operations. His phone number is: 213-362-9000 x 238 or bsavage@lacorps.org.

LACC already has 5 training locations and offer technical training in:

- ☐ ☐ ☐ ☐ ☐ ☐ Environment
- ☐ ☐ ☐ ☐ ☐ ☐ Construction
- ☐ ☐ ☐ ☐ ☐ ☐ Landscaping
- ☐ ☐ ☐ ☐ ☐ ☐ Manufacturing
- ☐ ☐ ☐ ☐ ☐ ☐ Energy Efficiency

As mentioned they partner with LA County and City of LA Dept of Labor WIOA (Workforce Innovation and Opportunity Act) grantees for soft skills training, LA Trade Tech (vocational school) and numerous community-based organizations for recruitment and outreach.

Below are training courses they have provided in the past with EPA funding. The

cost estimates below are based on training about 50 people.

- 40-hour HAZWOPER certification: \$
- 32-hour asbestos abatement certification: \$
- 24-hour lead abatement worker certification: \$1
- CPR/first aid certification: \$
- Cal/OSHA general industry standards certification: \$
- 32 hours of mold remediation (techniques and methods for clean-up): \$
- 16 hours of confined space entry awareness training: \$
- 8 hours of lead renovation, repair and painting: \$
- 8 hours of alternative energy (photovoltaic mechanics and installation): \$
- Recruitment outreach by Workforce Development and One Stop WorkSource Centers: \$
- Job placement and trainee tracking by Workforce Development and One Stop WorkSource Centers: \$
- Program management: \$

If you have other questions, feel free to give me a call.

Cheers,

Noemi
